Lions Request Aid For Breakwater

Members of the Pahokee Lions Club at their Tuesday luncheon meeting instructed Robert Schroder, club secretary, to write an official club letter to the commissioners of the Port of Palm Beach strongly urging that the Port of Palm Beach share with the City of Pahokee the annual installment in repaying the \$200,000 loan advanced by the State's Internal Improvement Board for the construction of a breakwater at the Pahokee waterfront. It was pointed out in the letter that all boats using the trans-State waterway from Fort Myers to Stuart via Lake Okechobee will benefit from the proposed breakwater.

Louis Mims, scoutmaster of the club-sponsored Boy Scout Troop 28, reported that at the present time Troop 28 is leading all troops in the Glades District of the Gulf Stream Council in points, based on troop attendance, advancements and activities. Mims also told of his attendance at the scout leaders' training course at Lake Osborne. It was announced that 10 percent of the gross receipts from the Lions-sponsored public barbecue, to be held in conjunction with the Fourth of July celebration program at Pahokee, will go to the Boy Scouts.

Ed Schraap, electronics technician of West Palm Beach, spoke on "Principles of High Fidelity Sound." He was introduced by Cecil Williams.

Local Lions In Regular Meeting

Canal Point Lions at their regular weekly dinner meeting voted to join the Pahokee Lions as co-sponsors of the public barbecue to be on the Lake Okechobee levee at the Pahokee waterfront from 5 to 7 p. m., Saturday, July 4, in conjunction with the program of entertainment being planned by the Chamber of Commerce at the waterfront in celebration of Independence Day.

M-Sgt. Arnold (Butch) Heldt was appointed to represent the club in making arrangements for the barbecue with Duncan Padgett and his committee of the Pahokee Club. Proceeds from projects will be used in sight conservation work. Osceola Upthegrove, retiring president, reported the street lights fund being raised by the club now totals \$480, approximately \$100 short of the amount necessary for operating the community's street lights for one year.

It was announced that Boyd Vorhees will serve as acting secretary in the absence of Carl Crawford, the new club secretary, who will be away on vacation until Sept. 1.

On the program the Upthegrove Quartet sang several songs. Miss Donna Lee Upthegrove was introduced as a new member of the Quartet, temporarily replacing Milton Carpenter who is attending an insurance school in Rhode Island.

John Williams, son of Mr. and Mrs. J. E. Williams of Canal Point and a Pahokee High School 1955 graduate, plans to enroll in the Marion Institute, Marion, Ala., in September.

Canal Point Has Recreation Program

Forty-one children had registered on Tuesday for participation in the Summer Recreation Program at the Canal Point School, according to Herbert A. Miller who is directing the six weeks' program sponsored by the County Board of Public Instruction.

Tennis and swimming are the most popular activities during the morning hours while the afternoons are devoted to quiet activities such as arts and crafts, inside the building, and baseball, softball, horse shoe pitching and the like on the playground. Mr. Miller said. Plans are underway to show motion pictures on Tuesday and Thursday afternoons, starting next week.

46 Enrolled In PHS Band Program

Twenty-two beginners and 24 Pahokee High School Band members registered for participation in the Summer Music Program for Pahokee school children on Monday, the opening day, of the six weeks' recreational-education program sponsored by the County Board of Public Instruction in cooperation with the State Department of Education. This total registration of 46 children is practically the same as last year's registration on the first day, according to Bandmaster Robert O. Lampi, director of the program, who expects the enrollment to increase to around 60 children by the end of the week.

The twelve Senior members of the PHS Band lost through graduation will be replaced by the group of recruits in the beginners class. Mr. Lampi said. There are still available for beginners five school-owned instruments, two sousaphones, two bassoons and one bass drum.

Pahokee Rotes Hear Owen Freed, U of M

Owen Freed, a graduate of the University of Miami and a member of the University's faculty, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club.

Mr. Freed, who is preparing to enter the U. S. Diplomatic Service, was recently selected as a Rotary Foundation exchange student from District 243 and will leave this country soon to take some post-graduate courses at the University in Montevideo, Uruguay. While getting his college education he spent a year of study at the National University in Tegucigalpa, Honduras, Central America and he told the Rotarians of some of his experiences while living with the Honduran people. The speaker stressed the importance of the United States cultivating the friendship, strengthening the economic ties and continually working for a better understanding with our Latin-American neighbors. He was introduced by President Thadd Whidden.

Mr. Freed was accompanied to Pahokee to attend the Rotary meeting by Hector Rivera Paillos, a native of Honduras, and by Harold Rivas, a sophomore at the Coral Gables High School, who were also guests of the club.

OUTSTANDING LEGISLATOR

Hon. Fred O. (Bud) Dickinson
State Representative
Group One—West Palm Beach

Citizens of Palm Beach County can well be proud of the fact that one of the county's freshman members in the House of Representatives was chosen as the "outstanding first term member" of the body. Young Fred O. (Bud) Dickinson of West Palm Beach won the coveted honor when his colleagues picked the outstanding members by secret vote during final days of the session.

"Cracker Politics," a column edited by veteran newspaperman Allen Morris and printed in many dailies of the state had the following to say about the honor that has come to Palm Beach County's "Bud" Dickinson:

"The engaging personality of Rep. Dickinson was unquestionably a big factor in his designation as

Glades Swim Meet Today In Pahokee

All children of the Glades area, 16 years old and under, who are interested in swimming are invited to participate in the preliminary trials for the 1955 Florida AAU Junior Olympics Swimming and Diving Championships, the preliminaries for the Glades area to be held at the Pahokee Municipal Pool in the city park this Friday, June 24, at 9 a. m.

There will be four age-group divisions in the Glades tryouts: Midgets, 10 years and under; Junior, 11 and 12 years; Intermediates, 13 and 14 years; Seniors, 15 and 16 years.

Those wishing to take a plunge in this meet are asked to contact Coach Bill Howard or Coach Leland Keene at the city park for application blanks. Applications can be made up to 9 a. m. on Friday.

Winners in the Glades meet will be eligible to participate in the County meet in West Palm Beach June 28-29.

ON DEAN'S LIST

Miss Carol Carpenter, the daughter of Mr. and Mrs. O. D. Carpenter of Pahokee, has been named to the dean's list at Wesleyan College for the second semester.

Mrs. C. A. Yarbrough of Morgan, Ga., accompanied by her daughter, Mrs. Robert Harris and daughter, Robbie Jean, of Jacksonville, is visiting in Pahokee this week with her sister, Mrs. B. Rosenberg, and brother, Truman Farrow, and friends.

Canal Point Youth Finishes Print Course

Elton D. Dixon, son of Mr. and Mrs. W. R. Dixon of Canal Point, who is a sergeant in Uncle Sam's Marines, and based at Quantico, Va., has recently finished a course with the "Institute of Applied Science" in a satisfactory manner in modern criminal investigation and identification. The course embraces study and practical work in taking finger prints, developing latent prints and preparing them as evidence in court work, pattern interpretation; classifying, filing and searching for finger print records according to modifications and extensions to the Henry system as used by the FBI.

994 Given Vaccine In The Glades Area

A total of 591 White children and 403 Negro children of the Glades area have been vaccinated with the Salk polio vaccine in the current vaccine program which ended Monday, according to Miss Jane Plumer of Pahokee, Glades field nurse for the Palm Beach County health department.

In this group of children 863 were given their second injections and 131 received booster shots, she said. Children who failed to get vaccinated against polio during the progress of this immunization program can still get their polio vaccine injections at the County Health Department's immunization clinics at the Pahokee White Labor Camp, Thursday, from 8:30 to 10:30 a. m.; at the Osceola White Labor Camp, Mondays, from 8:30 to 10:30 a. m.; at the Everglades Negro Labor Camp, Wednesdays, from 8:30 to 10:30 a. m.; at the Okeechobee Negro Labor Camp, Thursdays, from 8:30 to 10:30 a. m.; at Pahokee in the Caldwell building, Wednesdays, from 1:30 to 3:30 p. m.

Former Resident Receives BD Degree

Thomas Howes, Jr., son of Rev. and Mrs. C. T. Howes, former Pahokee residents now living in Jacksonville, received a B. D. degree from Garrett Biblical Institute on June 13.

While at Garrett he served as recreation director for the Illinois Children's Home and Aid Society, and as pastor of the Leroy, Indiana, Methodist Church. He was ordained a deacon in the Methodist Church in 1953 and this month became an elder at a service at Florida Southern College, Lakeland, with Bishop John Evanscomb officiating.

He will spend the summer with the Seventy-Evangelists, a group of theological students from various seminaries, sponsored by the Methodist Board of Evangelism, who will assemble at Lake Junaluska, N. C., for a week of intensive training before going out as teams among the people on evangelistic and church promotional missions. On Oct. 1 he will join the U. S. Air Force as chaplain.

Richard A. Mack, former Florida Railroad and Public Utilities Commissioner, was appointed a member of the Federal Communications Commission by President Eisenhower.

Hospital Board In Annual Meeting

Jesse W. Reel, administrator of the Everglades Memorial Hospital, gave a report on the finances of the hospital at the annual dinner meeting of the Northwestern Palm Beach County Public Hospital Board in the Community Hall at Canal Point. The Everglades Memorial, which is governed by the board, is completing one of the most successful years in its history, Reel said.

Mrs. Frank Friend, president of the Everglades Memorial Hospital Auxiliary, reported the Auxiliary has raised over \$3,000 for the benefit of the hospital since it was organized by Mrs. Robert J. Schroder three years ago. Among the items the Auxiliary purchased for the hospital during this period were an oxygen tent, diathermy machine, a deep freeze, electric floor fans, blankets, kitchen equipment, and, in addition, assisted in the purchase of a resuscitator and bore the expense of a complete interior paint job for the hospital building. The 14 civic, church and fraternal organizations, whose representatives from the Auxiliary's board of directors, have also donated many needed articles to the hospital, such as surgical gowns, infants' clothing, play pens, baby cribs, nursery chairs, lawn furniture, washers, toys, subscriptions to magazines, and the like, she said.

Albert Fremd, chairman of the board, M. P. Stanley, past member, and Mrs. Schroder spoke briefly.

Guests included Mr. and Mrs. O. H. Sheppard, Mr. and Mrs. Arnold Barad, Mr. and Mrs. Frank Friend, Mr. and Mrs. Boyd Vorhees, Paul Rardin and Mrs. Loren O'Neal.

Over 100 Join In Recreation Program

The registration of children participating in the Summer Recreation Program at the Pahokee City Park passed the hundred mark on Tuesday the second day of the six weeks' program sponsored by the County Board of Public Instruction, according to Coach W. D. (Bill) Howard who is serving as co-director of the program with Coach C. Webb Peil.

In spite of the rainy weather good progress has been made in organizing the various recreational activities. Swimming from 9 to 11 a. m. and trampoline gymnastic lessons from 11 a. m. to 12 noon are the most popular activities in the morning. The swimming classes include a group of 30 preschool children in the wading pool, Howard said.

Attracting the most interest of the children in the afternoon are the archery lessons from 1 to 2 o'clock; tennis lessons, 3 to 4, and baseball, 4 to 5.

Mr. and Mrs. Fred Hand and children, Gordon and Billie, and granddaughter, Alice, will leave today to spend a vacation with their son and daughter-in-law, Mr. and Mrs. Kyle Hand, at Brunswick, Ga., and also plan to visit another son, Donald Hand, at Auburndale, Ala., before returning home.

Mr. and Mrs. H. G. Boynton have as a guest at their home in Canal Point this week his brother, Seaton Boynton of Bartow.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Six bids on the remodeling and addition to the courthouse which the County Commission opened this week were described by the board as "considerably below expectations."

Expected to top the million-dollar mark, the low bid for the remodeling, submitted by P. C. Lissenden Co., was an even \$599,000.

Commissioners described the bidding as "very good, and the contractors should be commended on their bids." The board also pointed out that "this close bidding indicates a very complete set of plans."

The other bids submitted were: Arnold Construction Co., \$609,677; Butler & Oenbrink, \$633,433; J. L. Coe, Charlotte, N. C., \$617,468; Stephens Construction Co., \$599,945; and William H. Berbusse, Jr., Inc., \$605,000.

Under the specifications, the courthouse will be brought up to architectural and space requirements for the next 20 years, with provisions for the addition of another five floors over the center area of the building when required.

The remodeling will include rebuilding of almost the entire present building and will force many offices to locate in the new Datura St. building which is slated to be ready for occupancy between July 1-15th.

Bids were also received for air-conditioning and heating of the entire courthouse. Only sections of the building are presently air-conditioned.

These bids, with Boys' Roofing and Sheet Metal Works, Inc., apparent low bidder with \$95,228, included: John H. Couss, \$123,061; Monty's Refrigeration Service, \$106,995; Atlas Air Conditioning Corp., \$100,886; and A. Bellinger & Sons, Inc., \$129,900.

All bids were turned over to County Engineer S. R. Middleton for study and recommendation back to the County Commission.

A set of new plat and subdivision regulations which is the first step towards establishment of a county-wide zoning and planning department was approved by the County Commission at this week's meeting.

County Engineer S. R. Middleton, who presented the new regulations, reported that two phases—the thickness of paving on a truck surface and the treatment of water supply and sewage—are still being worked out and will be added later.

The board moved that new builders must come wholly under the new or wholly under the old regulations, and fixed a deadline of six months for them to decide which regulations they would elect to follow.

In other actions this week the board:

Instructed the county engineer to advertise for bids on paving the parking area around the Datura St. county office building.
Referred to the architect for re-

drafting the plans for a comfort station at the John Prince Memorial Park, Lake Osborne, when County Commissioner Roy Michael reported the bids received last week exceeded the budget. The board moved that the plans be redrafted to keep within the budget.

Requested the State Road Dept. to install a stop-light at the intersection of State Roads 7 and 80, on motion of Commissioner Paul Rardin, with the board agreeing to furnish the electricity for the light.

Asked the SRD, on motion of Commissioner Kenneth P. Foster, to recommend safety measures for the intersection of Lake Park Road and Military Trail.

Forwarded to the State Highway Dept., with an accompanying letter from Chairman Ben F. Sundry, a petition signed by 300 persons requesting action on what the petition termed the "dangerous and rough surface on Lake Worth West Road (SR 802) between Lake Worth City limits and Military Trail." Commissioner Michael added that "this has been a hazardous road for several years."

Approved plats for the Four Points and Pleasant Ridge areas. One bid was awarded and several other groups of bids opened by the County Commission at this week's meeting.

The electrical renovations work at the County Home was awarded to the J. R. Hime Electric Co., low bidder with \$3,936.33.

Other bids opened and turned over to County Engineer S. R. Middleton with instructions to buy from the low-bidder included the following for tire recapping service: Bates US Tire Service, \$1,906.85; Pan-American Tire Co., \$1,260.92; Paul's Tire Service, \$1,884.38; Goodyear Service Stores, \$2,042.10; and Burkett & Ware, \$2,411.95.

Gasoline bids received: Shaw Brothers, 20.4c per gallon; Orange State, 19.3c; Gulf Oil Corp., 19.135c; Atlantic Refining Co., 18.95c; Sinclair Refining Co., 20.9c; and Standard Oil Co., 12.3c, less tax.

Bids were also received on diesel and burner fuel.

Inglis - McCall Plans Complete

Plans are announced for the wedding of Mrs. Virgie Inglis, of Okeechobee, to J. L. McCall, Sr., of Port Mayaca. The ceremony will take place at 4 p. m. Sunday, June 26th at the First Baptist Church, Okeechobee.

No invitations are being issued, but all friends of the couple are invited to attend the wedding.

Mr. and Mrs. Norman A. Kennedy and sons will leave Saturday to spend the summer at Danville, N. Y. They plan to return to their home at 360 Bacon Point Road Sept. 1.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Well folks, another year has rolled around and we have come to that most interesting of all events for the year . . . that is to the kids and those who have talented youngsters. Yep. Its Talent Scout Night time. This year the kickoff time is Tuesday July 5, New names and new talent are beginning to register. This year we are changing the stages to permit acrobatic and dancing acts more room to work. The present footlights are being moved and in their place we are placing spot lights which will give the patrons a better view of the movements of the feet in tap dancing and ballet numbers. One thing we can be proud of in our area, we have the most natural talent for the size of the community that I have seen anywhere else in America. Before I forget it, the weekly cash prizes have been changed. Now there are three prizes . . . first prize \$10, second \$5, third, \$3. The grand finals prizes are \$100 first prize and \$50 second, which should make it very interesting to contestants. Those acts which are suitable will appear on WSWN each week. Yes folks, its talent scout time again and I look forward to introducing a lot of novel talent this year. See you at the movies—Mal.

Silver Springs Has A \$250,000 Fire

SILVER SPRINGS—Two buildings housing the gift shop and restaurant at Florida's famed Silver Springs were completely destroyed by fire last week with a loss estimated at \$250,000. The fire started about 11:30 p. m. Friday morning and had gained such headway when firemen arrived that they could only act to protect surrounding buildings. Fourteen sight-seeing boats tied up at the docks escaped damage and such affiliated attractions as Ross Allen's Reptile Institute, Tommy Bartlett's Deer Ranch, The Carriage Cavalcade and the new miniature Silver Springs Railroad.

Florida Faces New Tax Problems

TALLAHASSEE—State Comptroller Ray E. Green has announced that the following amendments to the Sales Tax law were voted by the legislature at its recent session, and will become effective July 1: Candy, including loose, bulk and packaged candy and candy bars, will be taxable when sold for 26 cents or more. When the sale of several packages, which individually are priced at 25 cents or less, exceeds 25 cents, the entire sale will be subject to tax. Anyone moving into a taxable location after June 30, 1955, must pay sales tax on the rent thereof for the first six months occupancy. This tax is payable at the new location, even though the lessee has qualified for exemption at his previous place of residence. Admissions by free pass, which are not subject to the federal admissions tax, will be exempt from Florida sales tax.

GUESTS OF HOUGHLIN

Rev. and Mrs. Don J. Joiner, who have been guests here of her parents, Rev. and Mrs. A. D. Houghlin, returned Monday to their home in Pittsburgh, Pa. Rev. Joiner, who delivered the sermon at the evening worship service of the Pahokee First Methodist Church Sunday, is pastor of the Arlington Avenue Evangelical United Brethren Church in Pittsburgh and is taking postgraduate courses at the Xenia Seminary in that city. Mrs. Joiner is attending the Pennsylvania College for Women in Pennsylvania where she is a member of the Senior Class.

Mr. and Mrs. Paul Riddle and son, David, moved the past weekend from Pahokee to Delray Beach where he is now employed.

Learn To Drive!

Adults of the Glades area interested in enrolling in driver education classes this summer are asked to contact Walter A. Slaughter, driver education instructor at Pahokee and Belle Glade High Schools, who plans to organize such a class if enough persons show interest to make the effort worthwhile.

Instruction would be given three times a week and a class of 15 to 25 students would be of desirable size, according to Mr. Slaughter.

The Pahokee First Methodist Church was represented at the Methodist Teachers Laboratory and School in Fort Lauderdale this week by Mrs. Dorsey Pugh, Mrs. Jesse W. Reel and Loren O'Neal.

Circle Supper To Honor Husbands

Members of the Mabel Simonson and Margery Lair Circles entertained at the home of Mr. and Mrs. H. J. Anderson Monday night with a covered-dish supper and party for their husbands. Mrs. C. M. Todd played the accordin in accompaniment to the group singing, and games were enjoyed.

Both groups held separate business meetings, with Mrs. Anderson, chairman, presiding at the business session of the Mabel Simonson Circle. Mrs. Frank Rozelle was welcomed as a new circle member and

named a member of the flower committee. Mrs. L. W. Armstrong was appointed chairman of the circle's project of the year, visitation of the sick and shut-ins. She named Mrs. C. M. Todd and Mrs. M. P. Holman in charge of the project through July. It was announced the two circles will meet jointly through the summer.

Mrs. Arch Blakey, new chairman, presided at the business session of the Margery Lair Circle. It was announced the circle project for the year in the maintenance of the church and parsonage and for the first work on the project arrangements are being made to re-upholster the living room lounge

and a chair at the parsonage. Mrs. Robert Hatton was appointed chairman in charge of placing flowers in the church during July. Mrs. O. D. Carpenter was named circle representative to assist Mrs. L. W. Armstrong, chairman, on her WSCS Christian social relations committee.

Teams from all over the country including Cuba, Alaska and Hawaii will be represented, and we estimate that over five thousand visitors will be in attendance from other states. This Tournament is being sponsored by the Clearwater Junior Chamber of Commerce.

The Tournament will begin Monday, September 19. Opening Night ceremonies will be preceded by a luncheon followed by a kickoff parade to the new \$500,000 Softball Stadium. Two games will be played on opening night and succeeding games throughout the week, with the final game on Saturday night, September 24, when the new Softball Champion is acclaimed.

World Tournament Held In Clearwater

CLEARWATER — During the week of September 19 through 24, 1955, the World Tournament of Softball will be held in Clearwater.

Holmes - Stanford

Announcement has been made of the marriage of Miss Irene Holmes, daughter of Mr. and Mrs. Lester Holmes of Pahokee, to R. L. Stanford, son of Mr. and Mrs. M. H. Stanford of Savannah, Ga.

The wedding took place in Ridge-land, S. C., Sunday, June 5, with Judge Cook officiating.

Mr. and Mrs. Stanford plan to make their home in Savannah, Ga.

Mr. and Mrs. Paul Tedder were guests here over the weekend of Mr. and Mrs. Norman A. Kennedy and family.

the most promising House first-termers. Perhaps the best index of Dickinson's warmth and friendliness is that he is universally addressed as "Bud" by his House colleagues.

"Dickinson, an attorney and World War II marine, joined with his fellow lawmakers from Palm Beach County and with the Jackson delegation in pushing through the laws needed to bolster the community college development. He also helped obtain revisions in the school code and the Minimum Foundation Program to make both these vital statutes more easily understood."

The entire Palm Beach County delegation, made up of Rep. Dickinson, Rep. Emmett Roberts of Belle Glade and Senator Russell O. Morrow of Lake Worth came in second in the balloting to Jackson County as the outstanding three man delegation in the 1955 legislature.

Hillier - Pease Wedding Plans

Plans have been announced for the wedding of Miss Nancy Ann Hillier of Pahokee and William Thomas Pease of Winter Garden, the double ring ceremony to take place at the Pahokee First Methodist Church Sunday, June 25, at 4 p. m., with Rev. A. D. Houghin, pastor of the church, to officiate.

Miss Hillier has chosen her sister, Miss Thelma Hillier, to serve as her maid of honor and the Misses Ann Thompson and Betty Bush, bridesmaids. Robert Pease of Winter Garden will be his brother's best man. Gene and David Potter, step-brothers of the bride-elect, will serve as ushers.

The program of nuptial music preceding the ceremony will be presented by Mrs. William McClenahan, organist, and Farris Kincaid, vocalist.

The bride-elect's parents, Mr. and Mrs. Don Hillier, will be hosts at a reception at their home, 223 Carissa Drive, immediately following the ceremony. All friends of the couple are invited to both the wedding and the reception.

Mrs. M. I. Keen Hurt In Auto Accident

Mrs. Manning I. Keen was taken to the Everglades Memorial Hospital Saturday evening for treatment of a throat injury suffered in a car accident at the intersection of SR 706 and SR 80 at Twenty-mile Bend Saturday around 6 p. m. when another car smashed into the new 1955 Cadillac Mr. and Mrs. Keen had just purchased. The other occupants of the car, Mr. Keen and his brother, John Keen, and Patsy Gamble, were shaken up and bruised but not enough to require treatment. Mrs. Keen was released from the hospital immediately after receiving treatment.

The Keen's Cadillac had come to a complete stop when the other car, a 1938 Cadillac, ran headon into it. Damage to the new car was estimated at \$1,000 and to the older one, \$500.

Rainbow Girls Go To Grand Assembly

The Pahokee Assembly, Order of Rainbow for Girls, at a meeting in the Masonic Hall Monday night with Miss Betty Harrison, worthy advisor, presiding, made plans to send a delegation of 10 to the Grand Assembly in the DiLido Hotel, Miami Beach, June 23-26. The delegation, accompanied by Mrs. Florence Keen, mother advisor, left Pahokee as a group Thursday noon and will return Sunday night.

It was announced that W. S. Cross of Runyon, an employee of the U. S. Sugar Corp., won the radio that was given away by the Pahokee Assembly.

The Utopia Quartet is scheduled to take part in the special singing at the Okeechobee County Singing Convention in the Independent Baptist Church, Okeechobee, Sunday afternoon, July 10.

Rainbow Springs Gets New Owners

DUNNELLON — Operators of two major Tennessee tourist attractions have leased Rainbow Springs and plans are underway this week in revamping policies and the advertising program in an effort to make the Marion County sightseeing spot one of the foremost attractions in Florida.

Rainbow Springs was leased by E. Y. Chapin III, president of Rock City Gardens, Carl L. Gibson, treasurer of Ruby Falls, and their associates. Rock City spent \$291,000 this past year on advertising as compared with \$47,000 by Rainbow Springs.

James A. Sherill, Hamilton County (Chattanooga) tax assessor, resigned his position there to become executive vice president and general manager of the Rainbow Springs Corporation. He succeeds V. J. Allen, Jr., operations manager, who has accepted a position as manager of Rainbow Springs Motor Lodge.

John W. Dillin, public relations director, will continue to manage his department.

Only the waterfront operation was leased by the Tennessee interests. This includes the sightseeing submarine boats, a river cruiser and the swimming and picnicking facilities. The lodge and restaurant are separate operations and are owned by Kenneth S. Keyes of Miami.

Rainbow Springs, which flows at the rate of about 600 million gallons daily, is the second largest fresh water spring in the world.

The lease is for 19 years with two 25-year options.

Will Discuss New Sugar Legislation

CLEWISTON — Congressman Paul G. Rogers has announced that hearings on the sugar legislation which he introduced into Congress will be held from June 22 through June 25.

Florida sugar growers hope that relief may be granted in the current session of Congress from restrictions under the Sugar Act of 1948 which now gives all increased U. S. consumption of sugar to off-shore areas, chiefly Cuba. The Congressional hearings will discuss proposed relief of the act.

The U. S. Sugar Corporation recently begun construction of a huge new warehouse in which to store sugar for which there can be no sale until January 1, 1956 under the terms of the Sugar Act now in effect.

Cate - Burdeshaw Marriage Announced

* Miss Charlotte Ann Cate became the bride of Daniel Wayne Burdeshaw in an impressive candlelight ceremony at the Holy Nativity Episcopal Church in Pahokee Sunday, June 19, at 3 p. m. Rev. M. Wendell Hainin, vicar of the church, reading the vows for the double ring ceremony as the couple stood before an altar banked with palms and decorated with baskets of white gladioli. The altar rail was entwined with fern and white pompons and the family pews were marked with white satin bows.

Mrs. H. C. Graham, organist, played nuptial music and accompanied Mrs. Hugh Branch who sang "O, Perfect Love," by Joseph Barnby.

The bride, given in marriage by her father, Pren M. Cate, Jr., wore white embroidered organdy over taffeta and net. The gown featured a strapless bodice and fitted jacket with Peter Pan collar and long sleeves pointed at the wrist. The bouffant ballerina-length skirt was enhanced by a scalloped overskirt. The fingertip illusion veil was attached to a nylon cap embroidered with seed pearls. Her only jewelry was a single strand of pearls, an heirloom of her godmother, Mrs. Otto R. Blech. She carried a large white orchid nesting in a cluster of tiny orchids and white satin streamers on a white prayer book. Miss Loda Williams, cousin of the bride and maid of honor, wore a ballerina-length gown of aqua organdy over taffeta and net. Cornelia Dowd Cate, the bride's sister and junior bridesmaid, wore orchid organdy over pink taffeta. Both attendants had matching hats of organdy and net and carried heart-shaped bouquets of pink carnations.

John Price Burdeshaw, Jr., of Lake Alfred, Fla., was his brother's best man. Ronnie Berry and Douglas Gillis served as ushers.

Mrs. Robert F. Chamberlain, mother of the bride, chose a pink silk chiffon gown with toren pink hat and accessories and Mrs. John Price Burdeshaw, Sr., mother of the bridegroom, wore a mauve taffeta dress with white accessories. Both wore orchid corsages.

The reception immediately following the ceremony was held at the home of the bride's aunt, Mrs. H. T. Williams, 237 East Main St., with Mr. and Mrs. Robert F. Chamberlain acting as hosts. Miss Joyce Lynn Hurt was in charge of the bride's book. Mrs. George Perace, aunt of the bride, presided at the punchbowl while Mrs. Otto Blech, godmother of the bride, served portions of a three-tiered wedding cake to the guests. They were assisted by Miss Barbara Vertommen. Soft piano music was played during the reception by the Misses Jeanine Mock and Ann Rita Burns.

For her traveling dress the bride selected peacock blue print silk with white accessories and a white orchid corsage. Following their honeymoon at Nassau Mr. and Mrs. Burdeshaw will make their home in Pahokee.

Out-of-town guests included Mr. and Mrs. George Pearce of Marathon, uncle and aunt of the bride; Mr. and Mrs. Ed Mathis and family, Mr. and Mrs. Charles Baker and family and William Cate, all of West Palm Beach, cousin of the bride; Mr. and Mrs. John Price Burdeshaw, Jr., of Lake Alfred, brother and sister-in-law of the bridegroom, and Mr. and Mrs. Franklin Kelly and family of South Bay, his brother-in-law and sister.

Kitchen Changes Come Swiftly . . . Convenience Is Key to Rapid Progress

To work better, you plan better—that's the key to kitchen efficiency.

By IRA MILLER
Farm Electrification Bureau

The evolution of the modern kitchen presents a story of progress without parallel. It covers a span of less than 50 years, with more speed made in the last 10 years than in the previous 4 decades. In fact, advances are coming so fast that—like automobiles—most of us can hardly wait to see what next year's models of major electric appliances will look like.

What's going on? Housewives don't rightly know, but they're enjoying all the fuss being made over them. It's the age of conveniences and the better equipped and more efficiently planned their kitchens are, the less time they have to spend in them. Or, better yet, the time spent is more enjoyable.

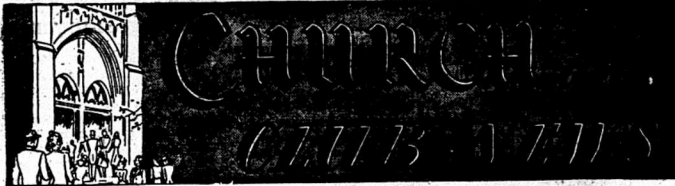

Manufacturers are out-doing themselves to give the little woman the things she's always dreamed about. The last couple of years, several have added to their line of standard electric ranges to provide built-in units. Such units provide opportunity for locating surface units in one place and the oven in another—just where and at what height the housewife wants them.

Major electric appliances now come in a variety of colors so that kitchens can be the brightest and

most cheerful room in the house. "Kitchens of tomorrow" are here today in many shapes and designs. They incorporate electric ranges, combination refrigerator-freezers, dishwashers, food waste disposers, clothes dryers and even make special provision for the most effective storage and use of electric housewares. They may be so-called kitchen centers under one counter or multiple units. Whatever they are, they represent a wonderful arrangement which makes mere ponder whether his place should not be in the home rather than in the shop, top and bottom, for highest efficiency, economy and to keep the kitchen comfortably cool. Home—and particularly the kitchen—certainly is what you make it these days.

In addition to these developments in kitchen planning, electric ranges—whether single unit construction or built-in models—offer either outside double or conventional ovens; deep well cookers, deep-fat fryers, barbecue spits, appliance outlets, timers and automatic controls for baking operations or to watch over surface cooking. Several different pre-selected cooking heats are available on surface units—which are faster than ever. Ovens are insulated on both sides, top and bottom, for highest efficiency, economy and to keep the kitchen comfortably cool. Home—and particularly the kitchen—certainly is what you make it these days.

Christian Science Group Of Canal Point

How spiritual understanding of the law of God opens the door to individual growth and progress will be brought out at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon entitled "Christian Science" include the following from Psalms (19:7): "The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple."

The value of understanding this law will also be brought out in passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (128:4-6,14): "The term Science, properly understood, refers only to the laws of God and to His Government of the universe, inclusive of man... A knowledge of the Science of being develops the latent abilities and possibilities of man. It extends the atmosphere of thought, giving mortals access to broader and higher realms. It raises the thinker into his native air of insight and perspicacity."

B&PW Club Enjoys Picnic Supper

Members of the Pahokee Business and Professional Woman's Club enjoyed a barbecued steak picnic supper at a social meeting in the city park Tuesday evening. Bette Lou Pickett, new president of the club, Frances Woodling and Mildred Lavender were on the committee in charge of arrangements.

It was announced that starting next month and continuing through the summer the club will hold only one meeting a month, this to be a combined business and social meeting on the third Tuesday nights.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 2 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.

Choose your own savings goal

	If you want approximately

The makers of **Super-Refined No-Nox**, the clean-burning gasoline,
now bring you a **new super-refined motor oil...**

New Gulfpride H.D. Select

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30. Lets you follow your car manufacturer's recommendation for each season.

...the **only** motor oil in the world **super-refined** by the Alchlor Process for modern high-compression engines.

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

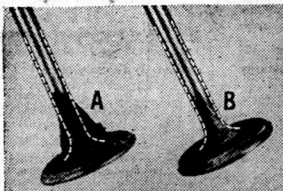

This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—in every season.

- **Controls carbon**—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- **Combats corrosive acids**, rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- **Assures lower oil consumption** than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- **Provides the toughest protective film** ever developed in a motor oil... assures better engine protection for all cars under all driving conditions.

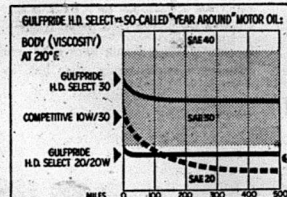

Now! For the ultimate in working octane performance and engine protection, always use Gulf's super-refined gas-oil team...

New Gulf No-Nox Gasoline
New Gulfpride H.D. Select Motor Oil

"Coked" valve "A" is from engine using a so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.

See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.
